phonology

what is the most cursed phonology no phonology

	bilabial
stop	P (l)

Orthography

One letter “l” (easy to write) spaces in between words.

How 2 spell

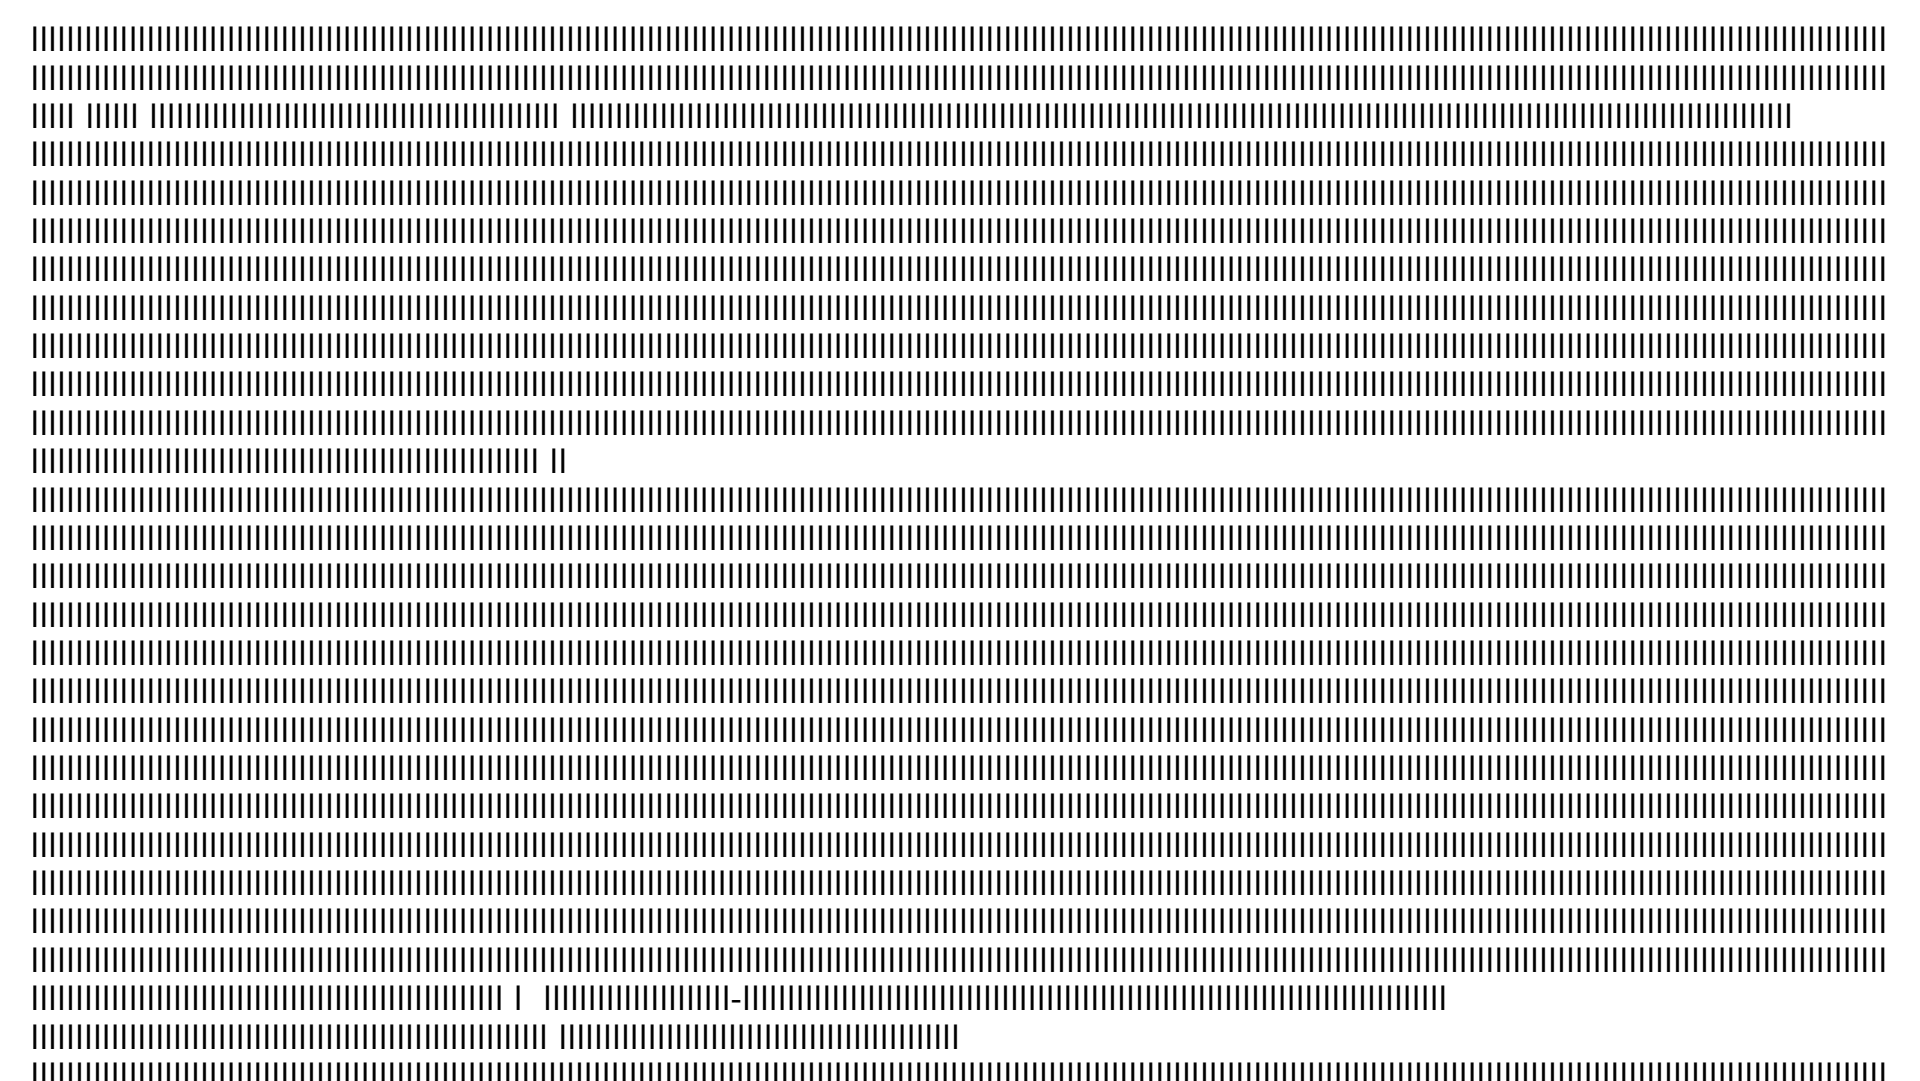
You take the world you want to say and figure out how common https://www.thingsmadethinkable.com/item/words_on_wikipedia.php it is compare that to every other word to get it’s rank that is how many “l”s you will haft to wright and count them very carefully because 1 more or 1 less is a very different word.

Grammar

I can’t begin to imagine a grammar worse than english so were stealing that

Phonology

Just say “p” for every “l”, again be very careful with how many you say saying 1 more or 1 less can have drastic effect on meaning.



100 DYC points!
